

# ROLL AND BUMP

Addition Dice Game

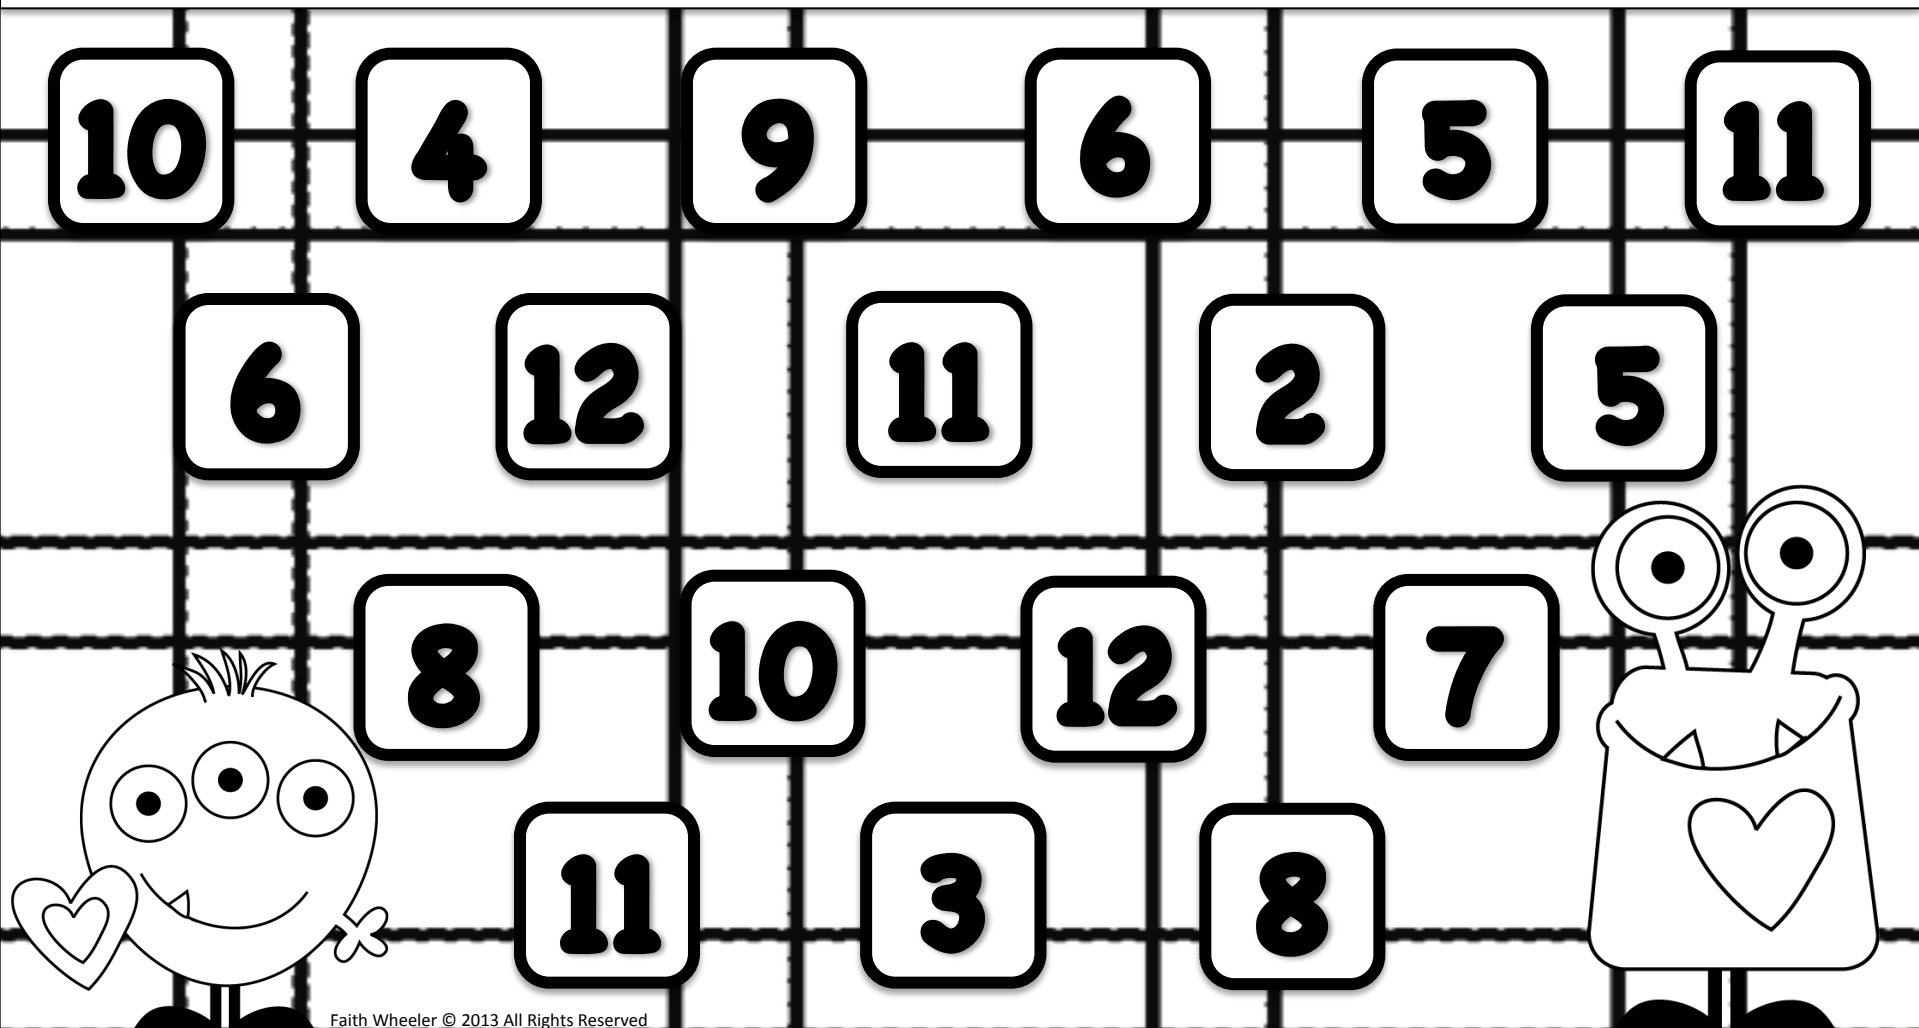

Faith Wheeler © 2013 All Rights Reserved

**Players:** 2 to 3 **Rules:** Give each player colored chips. Have the first player roll two dice. Add the numbers together. The player covers that number with their color. The next player rolls the two dice and cover a number. If a player rolls and that number is already covered, they bump the color (player) off that is covering it. When all numbers are covered, the player with the most chips on the board wins.
